

Measurement Controls, Inc.

Industrial Application

Measurement Controls not only does business with gas utilities, but also satisfies gas measuring needs of industrial or commercial houses

We provide the following:

1. refurbish their diaphragm, turbine, or rotary, or flow meters
2. sell new or remanufactured meters
3. sell electro/mechanical correctors for temperature or pressure
4. pre-fabricated meter sets
5. installation in such a way that gas consumption can be read at a remote location
