

# MAGNA-LOCK™

## *A Magnetic Locator used to find valve box lids, curb valves and manhole covers.*

The new Magna-Lock ferromagnetic locator provides top of the line magnetic locating including our new push-button “erase” feature and power line indicator, providing greater flexibility and enhanced performance.

### **Erase Feature**

When a disturbance, such as a metal fence, is confronted, simply press the “erase” button and it is electronically erased for continued searching without interference. No need to reduce the sensitivity: Magna-Lock always returns to perfect magnetic balance when the “erase” button is pressed.

### **Power Line Indicator**

This feature visually indicates the presence of power lines during a normal magnetic search. Note: This feature is only an aid and not intended for locating buried power lines.

### **Sensitivity**

The sensitivity control adjusts smoothly providing the user with a full range of depth capabilities, equaling or surpassing competitive locators.

### **Volume**

Adjustment of the audio volume for the desired listening levels is achieved by turning the volume control knob from low background levels to full volume.

### **Features**

-  *Push Button ERASE*
-  *Power Line Indicator*
-  *Water Resistant Case*
-  *Long Battery Life*
-  *Easy To Operate*
-  *Lightweight*
-  *Quality Built*

# MAGNA-LOCK™

## Specifications

- Power:** Six AA 1-1/2 volt batteries
- Battery life:** 100 hours of intermittent operation (alkaline batteries)
- Output:** Powerful magnetic speaker with water proof Mylar cone.
- LCD Display:** Numeric digital, analog Bar-graph and low battery indicator feature.
- Weight:** Approximately 3 lbs. (1.3kg) with batteries.
- Operating Temperature:** 0°F to 120°F (-18°C to 49°C).
- Length:** 42 inches (106.68 cm).
- Construction:** High impact plastic, water resistant, light weight and epoxy painted. Aluminum sensor tube waterproof to just under the plastic case.
- Patent:** United States #4,439,732
- Nominal Sensor:** 20 inches (50.8 cm)

### Order:

**Part No. 650001**

Includes soft-sided carry case and manual.
